JEWELRY TRIVIA:

Men were the first to wear jewelry as a status symbol and as good luck amulets to aid them in battle.

Initially, only one ring was used for an engagement and a wedding. Then in 1477, Maximilian of Austria gave an engagement ring to his beloved, Mary of Burgundy starting a tradition.

58.3% of pure gold is an item marked 14k.

SAVE THE DATE!

A very special and tenant event will be happening on May 22, 2008. More information to follow in the May Peakview Tower News!
